## BELZONA® PROTECTS WASTEWATER PIPES FROM ABRASION

---

### CUSTOMER

Wastewater Treatment Facility  
British Columbia

### APPLICATION DATE

June 1998

### PROBLEM

Previous projects involving this type of wastewater treatment technology had exhibited abrasion problems in various areas of the venture assemblies.

### PRODUCTS

Belzona® 1321 Ceramic S Metal

### SUBSTRATE

Stainless Steel

### APPLICATION METHOD

Application carried out in accordance with Belzona® Know-How Leaflet VPA-2

### BELZONA FACTS

Application of Belzona® 1321 Ceramic S Metal helped retard the abrasion process significantly in previous test applications

### PHOTOGRAPHS

- 1-4 View of various stages of the application. Project consisted of 14 12ft x 12in diameter pipes all with housed matching venture assemblies. The main pipes were coated on the inside only, while the venture assemblies were completely protected with 2 coats of Belzona® 1321 Ceramic S Metal
