YOUR LINK TO CREATIVE MAINTENANCE SOLUTIONS

The Belzona® 4000 Series range of repair materials includes products that are designated for rebuilding damaged concrete while others are specialized in the protection of concrete, or steel, from a wide range of chemicals found in the pulp and paper industry.

THE COMBINATION OF BELZONA® PRODUCTS, KNOW-HOW SYSTEM LEAFLETS, AND THE BELZONA® TECHNICAL CONSULTANT SERVICING YOUR MILL, CAN HAVE A MAJOR IMPACT ON:-

- **REDUCING MAINTENANCE COSTS**
- **REDUCING DOWNTIME**
- **PROVIDING AN ALTERNATIVE TO CONVENTIONAL REPAIRS**
- **EXTENDING EQUIPMENT LIFE**
